

Company Introduction

coens

To Be the World's Best Integrated Service Provider

- With our origins and headquarters in South Korea, we have now become the largest support service supplier to the 3 big shipyards in Korea.
- Over the years, we have gained a vast client base, international standards of management and the trust of numerous satisfied clients.
- We supply our services at fabrication yards and engineering offices in China, Myanmar, Russia, Kazakhstan, US and UK. With our honest and ethical attitude, we are confident of being able to provide support services to projects globally.
- Whatever the portfolio of services your project requires, COENS is able to help.
